JOB DESCRIPTION

Job Title: Maternal-Child Health Nurse (County) Prepared By: Melanie Pearce, BSN, RN County Nurse Manager
Classification: Full Time Prepared Date: 05/18/2015
Department: Public Health Approved By:
Reports to: County Nurse Manager Approved Date:
Location: Albany County FLSA Status: Exempt

JOB SUMMARY

Under general direction performs nursing assessment, diagnosis, treatment, planning, implementation and evaluation to individuals, families and groups, or to the population as a whole. Teaches individuals and groups in health promotion and disease prevention. Participates in Public Health Core Functions: assessment, policy development, assurance and community partnership building. Uses the Core Functions and Essential Services of Public Health in determining priorities and responsibilities.

Basic job function is to provide home visits to women and their families eligible for the Healthy Baby Programs, including the Nurse Family Partnership Program, Best Beginnings and Welcome Home.

DUTIES & RESPONSIBILITIES

Essential Duties:

Duty 1	% of Time
Provides direct nursing care in the clinic and other settings, through the use of the nursing process, including teaching and counseling patient and family. Provides services primarily to MCH clients and families. Adheres to the fidelity of the NFP and Healthy Baby models of home visitation.	50%
Duty 2	% of Time
Documents nursing care given in a timely manner, according to documentation standards.	20%
Duty 3	% of Time
Plans and conducts health clinics and classes at various sites within the county.	5%
Duty 4	% of Time
Refers clients to other community resources, collaborates with those providers in carrying out client services, and reduces barriers to care for clients.	5%
Duty 5	% of Time
Works with County Manager, PHRC, and state PH Emergency Preparedness team for the planning, training, and implementation of all-hazard response plans, including smallpox and pandemic flu clinics and potential post event follow-up. Is compliant with IS-100, IS-200, IS-700, and IS-800 training requirements.	5%
Duty 6	% of Time
Represents the agency on local/county/state/national boards, committees, or organizations.	5%

Duty 7	% of Time
Assumes oversight of a specific program/service, under the direction of the county nurse manager; makes policy recommendations and assures delivery of the service.	5%
Duty 8	% of Time
Participates in peer review, audits, continuing education, and other evaluations to assure quality of services. Participates in program conference calls, meetings, and workgroups as required.	5%
Other Duties	
Maintains confidentiality and HIPAA standards.	% of Time
Works evenings, nights or weekends when the situation requires it, such as (but not limited to) immunization clinics, emergency response and/or disease outbreaks.	100%
Occasionally encounters dangerous or unsafe conditions in the office or client homes and is always prepared to remove self from the situation.
