Important Notices

A Zoning Change Application is required to go through a public process which includes public hearings before the Planning and Zoning Commission and the Board of County Commissioners. Proper notice must be provided before both public hearings. Included in this application packet you will find the notice requirements and a chart that explains the application process.

It is recommended that you review the section of the Albany County Zoning Resolution pertaining to zoning changes and the current zoning map. The Albany County Zoning Resolution and the Official Zoning Map can be found online at: <http://www.co.albany.wy.us/regulations.aspx>.

Zoning Changes are based upon guidance of the Albany County Comprehensive Plan. Applicants are encouraged to review Chapter 3 Long-Range Growth Plan and Land Use and the maps in this chapter. The Albany County Comprehensive Plan can be accessed on-line at: <http://www.co.albany.wy.us/documents-and-reports.aspx>.

If the application requires the review of the County Engineer, the applicant is responsible for the cost of this review and will be billed appropriately.
